Subject: RE: Regulation 19 consultation response

Good afternoon, Tracey,

Thank you for your comments to the Regulation 19 consultation on the Rutland Local Plan.

I am just inputting your comments in the portal now, splitting these up into individual comments on the chapters and policies referenced.

For each comment, answers to the following questions are required.

I am happy to respond to these questions the same for all your comments. Unless you wish to specify certain answers for section/chapter you have commented on.

Do you consider the plan to be legally compliant? Yes / no
Do you consider the plan to be sound? Yes / no
Does it comply with the duty to co-operate? yes / no

Please set out how you think the plan should be changed?

If your representation is seeking a modification to the plan, do you consider it necessary to participate in the examination hearing session(s)? Yes/no
If you do wish to participate in the hearing sessions, please specify whether you wish to attend in person or via written representations.

If possible, please could you ensure that respond to this at your earliest possible convenience, given the close of consultation is on Monday at 4pm.

I appreciate your co-operation on this matter.

Kind regards,
Andrew
