Dear Sir/Madam,

I writing to you regarding the Rutland Local Plan Regulation 19 Consultation Document.

I object to these parts of the plan, speaking as a resident of Lyddington.

1. Renewable energy
2. Planning and housing

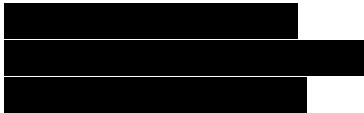

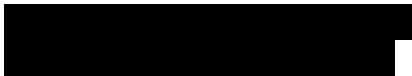

The areas identified for potential wind turbines and solar PV on the high ground adjacent to the A6003 would significantly affect the long-distance views of the Grade I listed Rockingham Castle in the neighbouring Local Planning Authority (North Northamptonshire).

Additionally, these developments would negatively impact the landscape character, remaining earthworks, and overall appearance of the medieval deer park at Lyddington Great Park.

Regards,

Emily
